

GREAT NEWS!

The 2009 Visa Championships is coming to Dallas!

The American Airlines Center in Dallas, Texas, will play host to the 2009 Visa Championships. The Visa Championships crowns the National Champions in Men's and Women's Artistic Gymnastics and Rhythmic Gymnastics. You'll also get to see Trampoline and Tumbling events and Acrobatic Gymnasts compete. That's right; all five gymnastics disciplines will descend on Dallas for the 2009 Visa Championships!

We have enrolled in the **Club Ticket Sales Program** to make sure the sport's truest fans get the first opportunity to secure seats to this event. We sincerely hope that Mat Trotters as a whole will embrace this event and support these great gymnasts as we work together to help grown the sport of gymnastics.

The program gives our gym access to priority seats at discounted prices along with great incentives based on the number of tickets sold. Below is a list of some of the great benefits that our club will be eligible for simply by signing up:

- Priority Tickets *before* the public and at a discounted price
- Group blocks in the arena so our club can sit together at the event
- Eligible for celebrity athlete visits to our gym
- Club recognition (web site, official program and at event)
- Association with a USA Gymnastics international event
- Event posters
- Family fun for our club, parents and kids

If you are interested in purchasing tickets, please let the front office know as soon as possible. Thank you in advance for your support in promoting gymnastics and the 2009 Visa Championships!
